Hi Natalie,

I also had a fun time riding with you last Saturday and it would be great to do some training together. I am busy this weekend and the USA Pro Cycling Challenge rides through Golden on the 23<sup>rd</sup>. I might be supporting the Gold King Mine response, so I will have to play it by ear for now, but will be back in touch, once I get more clarity with my calendar.

Thanks so much for reaching out to me ☺

Patti
